Plan for January 3

Rooms Scarce—Engage One Now

The very unusual rush to Berea this fall has filled up the rooms available for students so that those who wish to come at the opening of winter term, Jan. 3, must be sure to send their dollar deposit and engage a room right now. We hope to be able to accommodate those who are teaching and wish to pursue their Normal studies in the winter and spring, and as many others as possible, particularly the farm boys who wish the winter term in Farm Management.

Write today to the Secretary. Let us hear from you and we will make you welcome and comfortable.

D. Walter Morton, Berea, Ky.
